## MANAGER'S MINUTE

Hi Everyone,

Summer is going by way too fast! Ours has been marked with sadness at a funeral for a longtime friend and customer, and also marked with happiness at a wedding for the son of a very close friend and customer as well. Our granddaughter turned 1 year old on June 25th and was showered with a special birthday party for family and friends. Then just a few weeks later, on July 7th, our twin granddaughters turned 4 years old. Fun times in our family!

We continue to be very busy in service but are still able to keep our appointment lead times to a minimum. Please let us know how we can help you with any of your service needs.

As always, thanks for your trust in us!

-Tom

## LEARN THE ABC'S OF CAR CARE

Back-to-school season is the ideal time to review your ABCs; the ABCs of car care, that is. The Car Care Council recommends that motorists brush up on their auto care knowledge to make sure their vehicle is operating at its most efficient level before the school year commences and the onset of fall and winter weather.

### The ABCs of basic car care include:

- **A** – Always follow a vehicle service schedule.
- **B** – Be sure to have your car inspected when you suspect there is a problem.
- **C** – Correct the problem to help avoid the inconvenience and potential safety hazards of breaking down away from home.

“By following these three basic car care tips, motorists can address minor issues before they become more complicated and more expensive repairs,” said Nathan Perrine, executive director, Car Care Council. “The ‘Five Point Check-Up’ featured in our back-to-school video offers valuable maintenance and safety tips that will help families get their vehicles ready for transportation needs during the school year.”

Produced in conjunction with AutoNetTV Media, the Car Care Council’s informative video entitled “Back to School Tips” can be viewed at [www.youtube.com/watch?v=gaW4Q7yt1QY](http://www.youtube.com/watch?v=gaW4Q7yt1QY). Motorists can also visit [www.carcare.org](http://www.carcare.org) to view the popular 80-page Car Care Guide and sign up for the council’s free personalized service schedule and email reminder service. To order a free copy of the popular Car Care Guide, visit the council’s consumer education website at [www.carcare.org](http://www.carcare.org).

## HAPPY WOMEN'S EQUALITY DAY

Women’s Equality Day is celebrated in the United States on August 26th to commemorate the 1920 adoption of the 19th Amendment to the Constitution, which prohibits the states & federal government from denying the right to vote on the basis of sex.
